### Guidelines for Application for a Music Excellence Scholarship

Students seeking a Music Excellence Scholarship must be currently undertaking private lessons on their chosen instrument. Students applying for a Scholarship in Year 7 must be at a minimum of Grade 3 AMEB (or equivalent) on their chosen instrument, and those auditioning for Year 10 must be at a minimum level of Grade 6 AMEB (or equivalent). Students should have achieved at least a Credit or Honours for their last examination, or be at an equivalent standard.

Students, who are awarded a Scholarship, are expected to join appropriate co-curricular groups within the College. Students need to prepare **two** contrasting pieces to perform at their audition. They will be asked to play scales and undertake some aural skill exercises as part of their audition.
