

Football Academy

Dear Parents

In response to both parent and player requests, we are pleased to announce an Academy program that will be delivered in Term 4, 2017.

The football (soccer) Academy at A.B. Paterson College is for Year 3 to Year 6 Pupils. To help prepare for the commencement of the Academy, there will be a free trial session for pupils to come along to the first session at 7:00am to 8:00am on Tuesday 10th of October. Total Football Academy (TFA) will be providing all the training with professional coaches.

All players that are interested in developing their skills are encouraged to join the Academy.

The program will be limited to 30 players. The free trial will allow interested pupils to show their interest in gaining a place in the football Academy.

Academy dates: Tuesday 10, 17, 24, 31 October - 7, 14, 21 November

Time: 7:00am – 8:00am

Where: School oval or indoor venue

Length: 8 weeks every term.

Cost: \$99 per term

Need to bring: Boots, sports kit, towel, rain jacket, trainers (runners).

The Academy program is aimed at Long Term Player Development, with 7 training sessions taking place during the term. Each session will focus on a different topic and finish with small sided games. The program will aid player development, knowledge and skill, allowing players to reach new levels. The academy sessions will complement Club/School training. These extra sessions also allow players to get ahead boosting confidence to try new skills.

Academy sessions will never be cancelled as they will take place either on the football oval or indoors in the event of wet weather. I am sure every pupil that participates in this program will benefit from the expert training they will receive. We are excited about the pathway we are providing football enthusiasts at A.B. Paterson College.

To sign up register at www.totalfootballacademy.com.au and select Academy Program or to express your interest, please come along to the trial at the first session.

- Children may be dropped off into the care and responsibility of TFA coaches at 7.00am. They will be walked to class on conclusion of the program at 8.00am by a TFA coach.
- Pupils will need to bring their school uniform to change into.
- Sessions will never be cancelled as they will take place either undercover or on the oval

Yours sincerely

Andrew Robinson
